Mr. Dan N. Pitner
New Albany, Mississippi

Dear Mr. Pitner:

Thank you for your letter of February 12 enclosing your interesting recommendations on various measures which American businessmen might take to assist in the prosecution of the cold war.

For reasons which you will understand I shall not comment upon your proposals in this letter, but you may be assured that they will be given full consideration, and that your interest in bringing these suggestions to our attention are very much appreciated.

Sincerely,

W. B. Smith
